

## CLEAR GREASE 500ml

**Product Code:** AER011 | **Revision:** 20230314

Clear, tenacious & water resistance lubricating grease.

### Available Pack Sizes

### Applications

Clear Grease is a lubricant designed for the maintenance of chains, cables and other hard to reach area general purpose applications requiring a long lasting barrier of lubricating and protective grease. Resistant against steam, solvents, weather, water & detergents making this ideal for use in aqueous environments.

### Performance Levels

Ideal for lubricating gears, bearings, cams, pulleys, chains and cables where they are exposed to the elements. Shake can well before use. Spray directly onto the component or surface from a distance of 20-30cm.

### Benefits

- Adhesive & anti-fling formulation.
- Exceptional resistance against corrosion.
- Good oxidation resistance.
- Multipurpose sprayable grease for applications where a clear lubricant is desirable
- Repels water, resists heat and salt.

### Typical Test Data

Appearance	Viscous clear grease
Flash Point (°C)	<-40
Odour	Slight solvent
Operating Temperature Range (°C)	-30 - 140
Relative Density	0.700
Solubility	Insoluble in water.

The typical test data provided is taken from average values, there will be some variability in production and therefore do not constitute a specification.

### Recommendations

- A Safety Data Sheet is available for consultation at [www.aztecoils.co.uk](http://www.aztecoils.co.uk).
- Contains a butane/propane propellant.
- Do not spray onto hot surfaces or near open flames.
- Packaging should not be left exposed to elements.
- This product should not be stored in direct sunlight, protected from frost and fluctuations in temperature.
- When disposing of the product after use, please protect the environment and comply with local regulations.

In line with our policy of continued improvement, Aztec Oils reserve the right to change specifications and availability without prior notice. This product, used according to our recommendations and for its designed application, does not represent any particular risk. The information present in this technical data sheet is indicative of the product and is given in good faith, but should not form part of any specification.
